

HP Compaq 8200 Elite All-in-One PC

Manage better. Control More.

Cut the clutter and streamline your enterprise computing experience. Empower your business with trusted technology and collaboration tools to help drive performance and productivity, all built into a stable and secure PC that is easy to deploy and manage.

HP recommends Windows® 7.

The latest business PC technology

This all-in-one PC integrates the power of the Intel® 2nd generation Core™ vPro™ Processor Family into a sleek, space-saving design without compromising performance, efficiency or stability.

Configure your all-in-one with industry-standard data drives and devices including a 6-in-1 Media Card Reader. Or, expand your memory with the latest DDR3 SDRAM up to 8 GB.

Go wireless with the HP 802.11 a/b/g/n Wireless LAN option with support for Intel® vPro™ Technology.

Microsoft® Office 2010 Starter Preloaded (purchase of a Product Key required to activate a full Office 2010 suite); Norton Internet Security trial, PDF Complete Corporate Edition are among the titles available preinstalled or as optional downloads to enhance your HP Compaq business desktop computer.

Secure your HP Compaq 8200 Elite All-in-One with solutions that include HP Keyed Cable Lock support and on board TPM 1.2 embedded security chip.

Save space, remove clutter, set up with ease

The space-saving, all-in-one form factor integrates a desktop computer, 58,4 cm (23") diagonal LED high-definition LCD monitor, webcam, microphone, and speakers.

Easy to setup and use. Just unpack, place, plug in, and get to work. No need to hassle with connecting multiple pieces of hardware.

Connect and collaborate with ease

Chat face-to-face and feel more connected to co-workers at the office, across town or on the other side of the globe using the built in webcam and array microphone.

A face-to-face virtual meeting place — HP MyRoom makes connecting and collaborating with business colleagues effortless. Amplify your productivity and

strengthen your working relationships with real-time, face-to-face communication features.

Efficient PC technologies for the environment

Reduce your impact on the environment and help lower operating costs with ENERGY STAR® qualified models certified as EPEAT® Silver.

Easily optimize the PC's power settings with HP's exclusive Power Assistant application. You're in control with HP Elite Series' energy efficient options.
